Report Of Project Work

B. A. / B. com. Second-year students have worked on project writing on Environmental Studies. It is a compulsory subject for all second-year students. In the Academic Year 2022-23, projects have been given to students as per Shivaji University rule. The project groups are divided into five students, and some selected projects individually with their respective Topics. For the environment case study projects, the approach is more towards field work so that students can learn different environmental aspects during the project completion duration. Here is the list of some of the projects made by our students.

1. Water Conservation
2. Brick Kiln
3. Vermicompost
4. Greenhouse Study
5. Medicinal Plants
6. Animal Species Diversity
7. Solid Waste Management
8. Water Pollution
9. Animal Conservation
10. Organic Farming

Student's project submission is carried out under Shivaji University guidelines with 30-mark evaluations.
