**Mhaisai Mahavidyalaya Mhaisai National Service Scheme** organised a Special NSS Camp at **Kavathegulang Gram Panchayat** on 23 March 2022. On this day, a special lecture was organized on the topic of **"Senior Citizens and Today's Young Generation"** **Assi. Prof. Sujata Patil** was the lecturer for this lecture. Today, there is a generation gap between the senior citizens and the younger generation. **Senior citizens are not treated with respect by the younger generation.** Since they are not spoken to openly, these senior citizens are becoming isolated. Due to this, these senior citizens are falling prey to mental illnesses like depression. **As there is no role model in front of the young generation, they are walking on the wrong path. Along with old age homes, the number of nursing homes is also increasing in the city.** Both these things are closely related to each other. If there are no elders in the house, who will take care of the grandchildren? Who will write them? Such questions have arisen. So, students should **respect elders.** Everyone should be aware that we will have to go through **this same situation in the future. He suggested this in his lecture.**
