**THE ENVIRONMENT AND ENERGY USAGE POLICY**

The Environment and Energy usage policy of Mhaisal Mahavidyalaya, Mhaisal intends the management of the energy mostly to help the conservation of Environment. Primarily the policy means to save the energy and control the unnecessary use of it. Secondly it tries to practice the ways of the usage of renewable energy resources as the alternate mode of energy. The Environment and Energy policy is mandatory for all the components of the institution and is applicable to all the stakeholders and various programmes and activities organized by the institution. Along with this policy, the Eco-Friendly Campus Cell runs the objectives to save energy and conserve the environment. Such activities create the awareness of our responsibilities and commitment to environment. .

**Policies:**

- To assess our energy usage and measure its impact on the environment.
- To save the energy by nurturing the habits of turning off the unnecessary lights and shut down the monitor in the time of intervals.
- Use LED or compact fluorescent bulbs as much as possible.
- To reduce local air pollution by promoting the use of bicycles, public transportation and practicing 'No Vehicle Day' on Every Months Saturday.
- To motivate and practices tree plantation drive.

**Utilization of Infrastructure and Policy of  
Maintenance**

**Utilization of Infrastructure:**

All the students admitted to the institute benefit from the physical, educational and support facilities available such as Library, , N.S.S., etc. Most of the facilities are also available for the staff. The library facility is extended to the society and alumni on the basis of prior permission. The college ensures the available infrastructure optimally utilized for knowledge transfer, research and extension activities and is in tune with its academic growth. The optimal utilization of the physical infrastructure is decided by the College Development Committee, the head of institute along with IQAC. Accordingly, the norms are formulated regarding the use of available facilities.

**Classrooms:** There are 11 classrooms utilized for carrying teaching-learning process. The classes at UG level are held from 08.00 am to 01.00 pm. The necessary physical infrastructure facilities in these classrooms are utilised for university examinations, state board examinations, other government examinations etc.

**Library:** The college library is maintained very well and has many resources available including text books, reference books, periodicals, journals, . These resources are optimally used through well planned circulation time table. The library provides Book Bank facility, reading room facility, etc. For the students , the library organises various programmes like Reading Inspiration Day, Books Exhibitions, etc. Apart from college students and faculty, college teachers, members of institute, alumni and the students preparing for competitive examinations also use library facilities.

**Gymkhana:** The sports facilities include playground,. It is used for regular practice and for organizing annual and other sports competitions. Students practice on the ground in the morning. Yoga camps are organized by the Physical Education and Sports Department for parents, students, alumni and teachers.

**Computers and Other infrastructure:** College has equipped with 4 computers associated with internet connectivity. It is used for students and faculty teachers . Wi-Fi is also available for staff. Computers and other infrastructure in the college office, library are utilized for smooth administration, record keeping and implementation of activities and transfer of knowledge. Other facilities like printers, projectors, laptop, speakers, visualizer, etc. are in common use.

**Seminar Hall/Auditorium:** The college has one seminar hall. It is utilized to conduct workshops, seminars, conferences, guest lectures, cultural programme and other co-curricular activities. The auditorium has a capacity of about 50 students.

**NSS Room:** The college has NSS unit of 100 volunteers. The college has provided a room for its activities.

## Maintenance:

The institute has its mechanism for maintenance and surveillance of the infrastructure facilities and equipments. It is as the following:

1. Classrooms are kept clean and dustbins are located at necessary places to collect solid wastes in the campus.
2. Student and faculties are made aware to keep campus clean.
3. The Eco-Friendly Campus Committee look after maintenance of physical infrastructure of the campus.
4. Maintenance of furniture is done by skilled carpenters, selected by the College Development Committee.
5. Maintenance of the campus lighting, electrical supply is done by electrician, selected by the College Development Committee.
6. The computers and all other IT facilities are updated periodically as per requirement.
7. Stock and issue registers are maintained by each department.
8. Maintenance of toilet is done by outside person on daily wages.
9. Maintenance of playground is done with the help of sports committee.
10. Library Committee helps for betterment of library work.
11. NSS departments are constantly help out to keep the college campus clean.
