Organizing Department : National Service Scheme (NSS)
Date of the Activity : 09th SEPTEMBER 2020
Number of Student Participant : 20

Report of the Activity :

People in the city could work from home during the Corona epidemic, but people in the village had to work in the fields, and there was little information about the Corona epidemic. It is therefore crucial to raise awareness about Corona in the village. The elderly people in the village did not know how to use the mask or why to use it. During this time, such elderly people needed to be cared for more. Under Mhaisal Mahavidyalaya Mhaisal, the volunteers informed these elderly people about COVID, told them how to use masks and what their benefits were, and convinced them about the importance of masks.
