Report of the Activity

Mhaisa Mahavidyalaya Mhaisa National Service Scheme organised a Special NSS Camp at Kavathegulangad Gram Panchayat on March 22, 2022. On this day, a special lecture was organized by **Assi. Prof. Geeta Shete** on "**Key to Success**". Today everyone is running after success. But if there is no success, then the wrong path is followed. Due to this, the society has to face a serious problem like suicide. In this, the number of young people is high. That is why the lecture on this subject was organized. In his lecture, he said that **self-belief is very important for success**. No matter how many difficulties or problems are faced to achieve success, only one **who faces them without fear becomes successful**. At the same time, with determination, impossible tasks are possible. No matter how much we have **to struggle to achieve success**, we can achieve success only if we do not back down. Finally, in his lecture, he said that **confidence, determination and hard work are the keys to success**. He also said that if you have these three things, no one can stop you from achieving success.

Mhaisa Mahavidyalaya Mhaisa National Service Scheme organised a Special NSS Camp at Kavathegoland Gram Panchayat on 23 March 2022. On this day, a special lecture was organized on the topic of **"Senior Citizens and Today's Young Generation"** Assi. Prof. Sujata Patil was the lecturer for this lecture. Today, there is a generation gap between the senior citizens and the younger generation. **Senior citizens are not treated with respect by the younger generation.** Since they are not spoken to openly, these senior citizens are becoming isolated. Due to this, these senior citizens are falling prey to mental illnesses like depression. **As there is no role model in front of the young generation, they are walking on the wrong path. Along with old age homes, the number of nursing homes is also increasing in the city.** Both these things are closely related to each other. If there are no elders in the house, who will take care of the grandchildren? Who will write them? Such questions have arisen. So, students should **respect elders.** Everyone should be aware that we will have to go through **this same situation in the future. He suggested this in his lecture.**

Under this college, a lecture was organized by **Assi. Prof. Kavita Shejawalkar** on the topic **"Nature is our teacher"**. In this lecture, he said that nature is our teacher and gave an **example of a river**. We throw anything in the river but it never gets angry with us. At the same time, the river does not discriminate against any caste and religion, it treats everyone equally. And finally our existence merges into the ocean. From this, **the river teaches us to never be angry with anyone, never to discriminate**. In this way, everything in **nature teaches us something** or the other. That is why **nature is our teacher**, we just have to follow its footsteps, she said.
